

2026 Innovation and Development Application-Driven Semiconductor Elite Talent Project

- Edge Intelligence Chips and Cross-Disciplinary Applications Talent-

Advanced Level Pass

General Competency Certification in Semiconductor and AI Applications

This certificate is awarded to Mr. SULE YERODINE SMITH to certify that he has successfully completed the Introductory Training in Semiconductor and AI Fundamental Applications (General Education Course) and achieved a score of 94 on the General Education Competency Certification Examination on July 20, thereby earning an Advanced Level Pass (85 points or above).
(Certificate No.: 1151062)

Co-Issuing Organizations:

經濟部產業發展署
半導體創新技術與產業應用驅動智匯菁英計畫推動辦公室
Innovation and Development Application-Driven Semiconductor Elite Talent Project
Office, IDA, MOEA

臺灣半導體產學研發聯盟
Taiwan IC Industry & Academia Research Alliance

財團法人人工智慧科技基金會
Artificial Intelligence Foundation
